🌐 Aonyendo Paul Neteish

Computer Science student interested in statistical analysis, machine learning, deep learning, and large language models. I've worked on AI-related research that led to a few conference publications, and I'm currently exploring LLMs and NLP through small projects and experiments. I use Python, C++, and common ML frameworks, and I enjoy understanding problems through data and trying practical approaches to solve them. Through organizing tech events and collaborating on group projects, I've learned to work well in teams, communicate clearly, and take initiative when needed. I'm motivated by learning new things and contributing to projects that help me grow and think in different ways.

## EXPERIENCE

**Volunteer at AIUB Cyber Gaming Fest 2025,**  
AIUB Computer Club  
2025

**Volunteer at AIUB CS Fest 2024,**  
AIUB Computer Club  
2024

## PUBLICATIONS

**Beyond NER: A Comparative Benchmark of Medical BERTS for Multi-Label Adverse Drug Reaction Classification on the PsyTAR Dataset,** International Conference on Intelligent Data Analysis and Applications (IDAA 2025)  
11/2025

**Unfolding Emerging Issues in the Context of Changing Climatic Scenario,**  
2nd South Asian Conference  
09/2024

**Hearing the Unheard: Statistical Examination of Public Attitudes, Awareness, and Acceptance of,** 2024 ICCA - International Conference on Computing Advancements  
08/2024

**Breaking Barriers: Integrating Sign Language Recognition for Inclusive Public Services,**  
23rd International Mathematics Conference  
05/2024

**Weibull Distribution-Based Assessment of Wind Energy Potential in Rajshahi, Bangladesh,**  
23rd International Mathematics Conference  
05/2024

**Sustainable Spins: A Statistical Exploration of Wind Energy Integration in Bangladesh's Textile Industry,**  
International Conference on Physics-2024  
05/2024

## EXTRACURRICULAR ACTIVITIES

**AIUB Computer Club,** General Member  
2023 – Present

**AIUB Social Welfare Club - SHOMOY,**  
General Member  
2022 – Present

**Data Entry Project**, BMIT Solutions LTD   
2023

**Volunteer at The Ideas Challenge 2k23**,  
AIUB Social Welfare Club - SHOMOY  
2023

## EDUCATION

**Bachelor of Science in Computer Science & Engineering**, American International University-Bangladesh  
2022 – Ongoing  
CGPA 3.97 / 4.00

**HSC**, Birshreshtha Munshi Abdur Rouf Public College  
2019 – 2021  
Science  
GPA 5.00 / 5.00

## SKILLS

**Programming Language**  
C, C++, C#, Java, Python, R, SQL

**Productivity Software**  
Latex, GitHub, WordPress, MS Word, MS Power, MS EXCEL, SPSS

**Soft Skills**  
Communication, Leadership, Teamwork and Collaboration, Time Management, Adaptability

## AWARDS AND SCHOLARSHOPS

**AIUB Deans's List Honors, FST, 3 Times**, American International University-Bangladesh  
26/06/2025

**AIUB Academic Scholarship**, American International University-Bangladesh  
01/08/2023  
Present

**Shapla Cub Award**, Bangladesh Scouts  
01/12/2012

## PROJECTS

**NLP Sentiment and Depression Analysis in Python**   
2025

Engineered **Deep Learning models (BERT, Bi-LSTM)** to detect depression signals and classify sentiment, outperforming traditional baselines.

**Tech Workplace Wellbeing in R**   
2025

Conducted statistical analysis and built **Random Forest** classifiers in **R** to predict mental health treatment trends in the tech industry.

**Sales Dashboard Project in EXCEL**   
2024

Designed interactive **Excel Dashboards** using **Pivot Tables** to visualize revenue, profit margins, and seasonal trends across 2 years of data.

**BDNewsPaperScraper**   
2025

Create a custom Scrapy spiders to scrape articles from Bangla newspapers

## CERTIFICATIONS

**Data Science & Machine Learning with Python for Beginners**  
Ostad Data Science 38 Batch

**Python (Django)**  
(EDGE) Project of Bangladesh Computer Council, ICT Division.

**Data Entry Project of BMIT Solutions LTD**  
BMIT Solutions LTD
